Each team will play the other two teams in their pool. These games will be best of 3 format. We will then play a final round, where the teams with the best record from each pool will play each other for 1st and 2nd, the teams with the second best record in each pool will play each other for 3rd and 4th, and the 3rd place team in each pool will play for 5th and 6th. Ties will be settled first by sets lost, fewest sets lost will be the higher seed. If the tie continues the tie breaker would be fewest points against, the team with fewer points against will be the higher seed. If still tied a coin flip will decide.

For each team the first game played will have a warm-up time of 16 minutes, the following games will have a warm up time of 11 minutes. **Games 1 in both gyms will start at 9:30 with all other games starting as soon as possible.**
